

LIVELY AT LINCOLN.

A Day of Disorder at the State Capital.

THE MILITIA IS CALLED OUT.

Free Fights Indulged In During the Entire Day Until Late in the Evening James E. Boyd Was Declared Duly Elected Governor of Nebraska.

LINCOLN, Neb., Jan. 9.—All the doors of the representative hall were closely guarded yesterday morning, and none but members of the legislature, state officers and persons having business there were admitted. All members were on hand promptly, although they found great difficulty in pushing their way through the crowds that filled the corridors and besieged the capital at all points. The Alliance members had taken possession of the house at 8 o'clock in morning. They placed the speaker in the chair and put a cordon of assistants of sergeant-at-arms around him.

Lieutenant Governor Meiklejohn got in through the cloak room, and was served with an order of ejection, but he defied the officer and was not taken into custody. Both sides had a force of sergeants-at-arms within call, and any attempt on either side to proceed with the canvass would have precipitated a row. To avoid this, a committee from each party was sent with a statement of the case to the supreme court, and asking that body for a decision as to which officer has the constitutional right to preside. The supreme court issued a writ of mandamus compelling the speaker to canvass the returns. This was a point in favor of Governor-elect Boyd.

Fifty sergeants-at-arms were appointed, and thousands of people besieged the doors of the representative hall to quell the riot. Governor Thayer called out the militia to suppress the disturbance.

Sheriff McCoy served the writ on the speaker only after a pitched battle. He was guarded by a squad of police and Capt. Currier's clothes were torn off, but after smashing hats and heads with their clubs they secured entrance and the writ was served. Lieutenant Governor Meiklejohn then declared the session adjourned and the Republicans and Democrats fled out of the house. Elder then called the Alliance members to order and directed the roll to be called.

When the Democrats and Republicans attempted to leave the floor the Alliance sergeant-at-arms closed the doors and attempted to keep them in. He received a punch in the eye and a bloody nose as the result, and the doors were speedily opened. Free fights occurred every few minutes. Nat. Brown, of Omaha, had an altercation at the door of the house with an Alliance man, resulting in the Alliance man being sent to the hospital for repairs.

Elder called the eighteen senators and fifty-five representatives of the Alliance to order as a joint session, but Attorney General Leese advised submission to the orders of the court. Nevertheless, Elder was declared presiding officer of the joint session, and the Alliance men started to work. Governor Thayer tried to quiet the crowd, but to no result. Mr. Meiklejohn went out in the corridor at 2 o'clock and the doorkeepers refused to re-admit him.

The lieutenant governor appealed to Governor Thayer, and the governor ordered that unless Meiklejohn was admitted the militia would take him in at the point of the bayonet.

Meiklejohn was admitted, and walking directly to the speaker's stand, he denounced: "Mr. Speaker, do I understand that any passes will not be honored?"

"That is all right, replied the speaker. 'I want these passes honored as you agreed they should be, upon your honor as a man,' declared Meiklejohn.

"I'll see that it is done," replied the speaker.

Meiklejohn's passes had been refused at the door by the Alliance sergeants-at-arms.

At 2:15 Speaker Elder called the joint session to order. The Republicans and Democrats were in their seats and answered the roll call. Meiklejohn held his position in front of the speaker's stand, which was crowded with Alliance men.

Chaplain Diefenbocher prayed that the Almighty would give the legislators there assembled grace to control themselves and faithfully perform their duties. Then Meiklejohn immediately assumed control of the joint assembly. This was scarcely objected to by the Independents, most of whom were becoming disgusted with the tactics of the leaders. A committee notified the secretary of state that the joint session was ready to proceed to canvass the state.

The returns were taken in charge by Meiklejohn, who handed them over to Elder. Elder announced that they had not been tampered with. Then Meiklejohn, after announcing that the Alliance secretaries had refused to act, ordered Stenographer Reed to keep a record of the proceedings. This was accomplished after a great deal of confusion, the Independents resorting to all sorts of dilatory tactics.

It was 4 o'clock when Speaker Elder commenced at Meiklejohn's behest to read the returns. As slowly as he could the speaker called off the vote of each county. In the meantime filibustering was continued. Chief Justice Cobb, of the supreme court, sent in word that the men who advised the Alliance men to disregard the mandate of the court would be dealt with severely. This had a soothing effect on the obstructionists in the lobby.

At 5:30 the speaker finished the canvass and formally declared that James E. Boyd had been duly elected governor. This declaration was also made in reference to the Republican state ticket below governor. Then an Alliance member introduced a resolution to the effect

that the election was void and refusing to recognize any of the officers as elected; also, censuring the supreme court. After much delay and discussion the resolution was adopted by a strict party vote—70 to 59, the Republicans and Democrats voting no. The joint session then adjourned.

Within thirty minutes after the official announcement of the election's result by Speaker Elder, the oath of office had been administered to Governor Boyd and the other officers-elect and their bonds approved by the supreme court. The legislature will assemble in regular session to-day.

The militia cleared the state house grounds several times, but the people crowded by them every time they could, and a howling mob surrounded the capitol. When the militia was called out the crowd hooted and yelled at them in such a manner that the tin soldiers became frightened, and it was only when a squad of forty police arrived that any kind of order prevailed. The crowd outside kept up a sullen roar while the frightened militiamen patrolled the borders. When the Alliance men began coming out, they were received with howls of derision, hisses, cat calls and other uncomplimentary receptions.

At 8 o'clock last night, Governor-elect Boyd called on Governor Thayer and was informed that the latter would not give up his office, on the ground that Boyd was not a citizen of the United States and was therefore not eligible. Governor Thayer has barricaded the executive office and remains inside with policemen and a company of militia on guard. It is impossible to reach him to ascertain his purposes, but it is understood that he will remain governor, if possible, until all questions affecting his successor are settled.

Senatorial Fight in Idaho.

BOISE CITY, Idaho, Jan. 9.—Rumors of a startling move being made in connection with the recent senatorial election are heard. Section 6113 Idaho revised statutes declares it a felony for a member of the legislature to vote or promise support upon any question or matter in return for the support of another member on any question or matter upon which they may be called to pass officially. It is said warrants will be sworn out under this section for the arrest of several members of the legislature who were connected with the alleged Shoul-Dubois-McConnell combine, charging them with felonious conspiracy against the legislative power.

C., on the Richmond and Danville road, Wednesday afternoon. The boiler of the locomotive exploded, and the cars and contents were badly wrecked and ruined. The engineer, firemen and two brakemen were instantly killed, and three trainmen were seriously injured.

Hatfield-McCoy Vendetta Breaks Out.

LOUISVILLE, Jan. 9.—The Hatfield-McCoy vendetta, which has been quiet for some months, has broken out again in Logan county, W. Va., near the Kentucky line. In a fight on Hart's creek between adherents of the respective factions six men were killed. The informant, who lives in Logan county, was unable to give the names of any of the killed or to say which faction lost most heavily in the battle.

Indiana Farmers at the World's Fair.

INDIANAPOLIS, Jan. 9. The state board of agriculture, at its session Wednesday, decided to ask the state legislature to pass a bill appropriating not less than \$200,000 for the Indiana display at the world's fair. There was a general sentiment in making the special exhibit of this state as elaborate as possible, and great interest was shown in the petition for a liberal appropriation.

Banquet in Philadelphia.

PHILADELPHIA, Jan. 9.—The banquet given by the Young Men's Democratic association in the Academy of Music yesterday evening was a brilliant affair and a great political gathering. Leading Democrats from all parts of the country, including ex-President Cleveland and Governor-elect Pattison, were present.

MOVING ON THE REDS

Soldiers Have the Indians Surrounded.

FUNNEL FORMED AT PINE RIDGE.

One Thousand Hostiles Are to Be Driven to That Point and There Crushed. Fortifications Complete and Bloody Work Can Soon Be Expected.

PINE RIDGE AGENCY, S. Dak., Jan. 9.—Young-Man-Afraid-of-His-Horses, the most powerful chief in the great Sioux nation, arrived here yesterday in charge of Capt. O'Connell. The chief has never opposed the government. An effort will be made to have him go to the hostile camp with a last plea for the savages to surrender; but it is probable that his coming is too late, for Col. Corbin yesterday announced the movement of the troops upon the hostile Indian village.

The soldiers are pressing upon the savages from the rear and flanks. The mouth of the funnel is Pine Ridge, and it is here that the redskins will be driven and crushed. The hostiles are nearly 1,000 strong, and yesterday they sent word that they will not surrender until the soldiers were taken to the railroad. Preparations for receiving the hostiles in their rush through the funnel are now completed. A trench has been dug west of the school-house, with bags of dirt piled up for breastworks. A Hotchkiss gun, masked with saplings, has been planted in such a position that it can sweep the valley in all directions.

Fortifications on the hillsides to the north and east are also finished, and rifle pits have been dug everywhere.

The soldiers who were wounded and are still here are doing nicely, although all of them are desperately hurt.

The hostile Indians fought among themselves yesterday evening, resulting in a number of deaths of the fighting men.

Many Indians are coming in. Lieut. Casey, who was murdered by a Brule squaw, has been brought in and his body will be sent to Woonsocket. R. L. Col. Sanford's men last night had an encounter with Indians, killing four and wounding three. Sixty ponies were captured.

AGENT ROYER DISMISSED.

The Official Telegram of Removal Sent by Secretary Noble.

WASHINGTON, Jan. 9.—Secretary Noble yesterday sent a dispatch to Daniel F. Royer, Indian agent at Pine Ridge agency, dismissing him from the service. The secretary directs him to turn over the property to Capt. Pierce, who will be the Indian agent at this point. This action, so far as the removal of Royer is concerned, was determined upon some time ago, when the officials of the Indian bureau learned that he was not proving equal to the emergency.

The published statement, the secretary said, that there is any conflict between the war department and the interior department as to jurisdiction in the Indian agencies is denied by all parties concerned. He is in perfect accord with Secretary Proctor in regard to the policy to be pursued, and that he had done everything in his power to bring the disturbance to an end. The rations had been supplied promptly and in sufficient quantity. The officers were acting in harmony with the troops and a united effort was being made to give Gen. Miles every facility for carrying on his operations.

The situation assumed up at the interior department is about as follows: There is in all about 20,000 Sioux Indians, men, women and children; about 15,000 of this number are accounted for, as they are living on the other reservations in peace, and not taking part in the present disturbance. This leaves about 5,000 men, women and children to face the earthworks, the Howitzers and 8,000 men, under command of Gen. Miles. This number is further lessened by taking from it the friendly Indians who are still at the Pine Ridge agency, numbering some 1,500 men, women and children. While the situation is regarded as a hopeless one for the Indians, it is asserted that they have no intention of surrendering. It is predicted by some who are on the ground, that there will be a battle on Sunday or Monday next.

Telegrams from General Miles.

WASHINGTON, Jan. 9.—Maj. Gen. Schofield has received the following telegram from Gen. Miles, dated Pine Ridge, Jan. 7.

"Seventy Indians came in from hostile camp to-day, and the reports from them are that Red Cloud, Little Wound, Two Strike, and Big Round and others will come in to-morrow."

The following dispatch of the same date, with particulars of the shooting of Lieut. Casey, was also received from Gen. Miles:

"Reports from Gen. Brooke state that Lieut. E. W. Casey, Twenty-second Infantry, was killed to-day. There has been fighting and skirmishing on that part of the line for several days. Lieut. Casey was out with his party, and with one Cheyenne met two Indians, Ogallala and Brule. The Ogallala warned Lieut. Casey that the Brules were bad and would shoot. As Lieut. Casey turned to go away the Brule fired, striking him in the back of the head, killing him instantly. Lieut. Casey was one of the most brilliant and beloved officers of the service. There is a report of heavy firing in or near the hostile camp that may be between the two elements on the Indian camp ground."

Iowa Indians Got the Craze.

WATERLOO, Iowa, Jan. 9.—It is re-

ported here that the same craze Indians, located in the southern part of Tama county, have an attack of the Messinh craze, and there is apt to be an outbreak at any time. There are about 300 of them. The Governor Greys, the Muscatine rifles and two companies of the Iowa National guards have been ordered in readiness and it is expected that the company here will receive orders very soon.

Quiet Along the Nebraska Border. LINCOLN, Neb., Jan. 9.—Advices from Nebraska border towns indicate a more quiet feeling since the arrival of the state militia. Settlers of the adjacent towns returned to their homes yesterday; those of the isolated districts still remain in the town. Bodies of troops patrol the country round about.

HERESY TRIAL.

Rev. Howard MacQuenry May Join the Unitarian Church if Expelled.

CLEVELAND, O., Jan. 9.—The trial of the Rev. Howard MacQuenry for heresy was continued yesterday before the ecclesiastical court of the Episcopal diocese of Ohio and is now at an end, all but the decision of the court. The arguments on both sides were completed and calling for the books and opinions offered in testimony, the court withdrew until it could formulate its opinion. It is expected that a decision will be reached in a short time as it is quite generally conceded that the Rev. MacQuenry will be found guilty.

REV. HOWARD MACQUENRY.

Rev. MacQuenry made a long argument in defense of his position, and predicted that the views set forth by him in his book and in the pulpit would be generally adopted before the dawn of the twentieth century. He also declared that if expelled from the Episcopal pulpit, he would continue to preach the doctrines concerning the conception, birth and resurrection of the Christ, but he begged the court, for the sake of the church, not to find him guilty, because he feared damaging results would follow such an action in this transitional age.

Dr. Bates, the attorney for the prosecution, demanded that Rev. MacQuenry be declared guilty, because he was being tried by a court of to-day and not of a century hence, and because he read things from the Scriptures and then advised his hearers not to believe them.

In his argument Rev. MacQuenry stated explicitly that his object in writing a book was not to create a sensation, but to, if possible, assist in conforming Christianity to common sense and nineteenth century thoughts. In closing with the final reply to the prosecutor, he said the church and the prosecution were dogmatists and that the latter admitted that the council of Nice did not insist upon virgin birth and literal resurrection of the body.

Rev. MacQuenry has been advised throughout the trial by a Unitarian clergyman, and it is anticipated that he will adopt that creed if convicted and expelled. The case is arousing widespread interest amongst all denominations of church people.

Gone to Annihilate the Redskins.

YOUNGSTOWN, O., Jan. 9.—Dwight Hartzell, aged 18, son of A. E. Hartzell, a merchant of Girard, disappeared a week ago, and nothing was heard of him until Wednesday, his father received a package containing some keys and papers. The postmark on the envelope was illegible, preventing the parents from gaining any clue to him. It is thought he has gone to the frontier to take part in the Indian campaign.

Senator Stanford Will Succeed Himself.

SACRAMENTO, Cal., Jan. 9.—At a caucus held last night of Republican members of both branches of the legislature, Leland Stanford was unanimously re-nominated for United States senator. The Democrats decided to give their complimentary vote to Stephen M. White.

Impaled on a Pitchfork.

SHOOTS, Ind., Jan. 9.—Mr. Michael Gomerly, an old man residing in this city, went, Wednesday afternoon, about three miles in the country for a wagon load of hay. While loading his wagon he made a misstep, and, with a pitchfork in his hand, fell, and one time of the fork passed directly through his heart, killing him instantly. He leaves no family.

COLUMBUS, O., Jan. 9.—Representative Hunt, of Sandusky county, the attorney of C. H. Whiting, indicted for grand larceny and receiving stolen goods, has filed a motion for leave to file a petition in error in the supreme court. There is a bit of romance connected with this case. While Whiting, who is a married man, was at Fremont, Miss Eva West fell in love with him. She eloped, taking about \$140 and a diamond ring. When arrested he had stolen goods in his possession. The jury found Whiting not guilty on the charge of grand larceny, but guilty as to receiving stolen goods. The circuit court sustained the verdict of the common pleas court, which is now sought to have reversed, by the court of final record.

COOKED TO DEATH.

Terrible Accident at Newberry, Michigan.

A FURNACE SCAFFOLD FALLS.

Seven Men Buried Under a Red Hot Wall But Six of Them Are Rescued Alive, Though Horribly Burned and Bruised—Names of the Victims.

NEWBERRY, Mich., Jan. 9.—At 10 o'clock last night a scaffold in the furnace stack of the Newberry furnace came down with such force as to carry away the south and east sides of the top-house, the falling walls of which demolished over half the roof of the casting-house. The accident occurred right after the casting was run off, and when the falling walls carried in the roof of the casting-house several men were employed in front of the stack, and sanding the cast.

John Labouard, a top filer, was literally cooked to death before he could be rescued.

Henry Woolner, night watchman, was in the wreck half an hour. He is badly cut about the head, and his body and limbs are badly burned.

Alex. Jerree, a helper, has a badly sprained back and is burned.

CONVICTS ESCAPE.

Three Prisoners Free Themselves From the Ohio Penitentiary.

COLUMBUS, O., Jan. 9.—At sunrise Thursday morning three prisoners made their escape from the Ohio penitentiary. The names of the escaped men are Henry Post, serving a two years' sentence from Summit county for assault to rape, received May 27, 1890; Hurl Porter, serving a two years' sentence from Belmont county, for forgery, received March 13, 1890, and Michael Harding, serving a four years' sentence from Cuyahoga county for shooting with intent to kill, received Jan. 17, 1890.

The escaped men were working in Patton's annealing room, which is run day and night, under Sub Guard Gardiner, of Union county. The men made a pretext to go to the engine room, and were gone about ten minutes before being missed. They secured a cupola ladder, placed it against the wall near the east gate and were soon free.

REVOLT AGAINST FOREIGNERS.

Three Hundred People Killed by the Natives of the Caroline Islands.

SAN FRANCISCO, Jan. 9.—The recently appointed American consul to the Caroline islands, Mr. Herbert L. Rand, of Carthage, Ill., is here on his way to the scene of his duties. He has just received letters from his brother, who has been a missionary on the islands for eighteen years, giving an account of outrages committed by natives.

In their revolt against the Spaniards the natives have killed 300 foreigners, including 190 Spanish soldiers. They have looted and burned the houses of all the missionaries at Ponop. Rev. Mr. Rand lost his library, worth \$1,000, and all his personal and household effects. The missionaries have been transferred to a neighboring island for safety, but the natives of the whole group are excited, and more massacres are feared.

Serious Trouble in a Church.

CANTON, O., Jan. 9.—For some time, some of the members of St. Joseph's Catholic church, at Randolph, had trouble in regard to their pastor. This trouble has been growing until several have refused to pay their notes which they had given for the rent of pews in the church, for the saying of mass and for several other purposes. These notes, Father Rebholz sold to different individuals and some were paid under protest, others have taken the matter into court. Father Rebholz has threatened excommunication to those members who precipitated the trouble and the feeling has disrupted the parish. Serious trouble is anticipated.

Escaped Perjuror Recaptured.

DECATUR, Ind., Jan. 9.—Last July Henry Runyon, of Geneva, this county, swore to an affidavit that he had had eight sheep killed by dogs, and received \$32 from Trustee Hart, of Wabash township, to cover his alleged loss. Subsequently it was discovered that he had lost no sheep, and he was arrested for perjury. While under bonds he escaped into Ohio and remained there until Wednesday night, when he was found at Will-Lie by Sheriff McConnell, of this county, and brought here on requisition from Governor Hovey. His trial is set for next month.

That "Earthquake" Was a Gas Well.

ELWOOD, Ind., Jan. 9.—The cause of the earthquake reported from here last Saturday has been ascertained, and was found to be the striking of gas in a new well about a mile and a half above town. It is one of the largest wells ever struck in the Indiana gas belt, and the roar of the escaping gas, no doubt, led some to believe that the rumbling was caused by internal disturbance. This is the third well of the kind recently bored at Elwood, and eclipses in capacity the famous Jumbo well at Fairmont.

PAULDING, O., Jan. 9.—Connie Ragan and Miss Della Hebenuth, leading society people at Paulding, were married twice in one day. The groom is a Catholic and the bride a Methodist. They were first married by a Methodist minister and later in the day, at Toledo, by a Catholic priest.

The Courier-Journal gives the BULLETIN credit for getting out a double number last week. The big paper says "off" sometimes. If our friends at the Falls City will take a second look they will find it was the Republican that got out an industrial edition.

January Weather.

Rev. Ira Hicks, of St. Louis, says in his predictions for January:

"From the 8th to the 12th will be the next period, with 9th, 10th and 11th as central danger days. A cold wave, with temporary high barometer sufficient to mislead mercurial weather predictors, may run immediately ahead of sudden change to storm at this time. Don't be deceived by this, or by bright, warm skies following. The period is sure to bring its quota of storms, on and about the days named, and then to be followed in turn by another very cold wave, which will abide in hard, freezing weather until the reactionary movements on the 15th and 16th. Cold waves, generally of a secondary character, follow all the reactionary, as well as the regular periods. So will it after the reactionary 15th and 16th.

"From the 18th to the 23d expect the next general storm movements. The moon's first quarter on the 17th may hasten the developments to warm currents and storm results in the West as early as the 17th. Strong easterly winds, cold, but changing to southerly meantime, will be blowing in the Atlantic coast regions. Look for rain and snow—perhaps blizzards to the north—followed by the regular northwesterly freezing blast. Warmer skies and softer winds from the South, resulting in some storms, on and next to the 26th and 27th.

"The cold wave following the reactionary 26th and 27th will abate as we approach the end of the month. On the 31st falls the equinox of both Vulcan and Mercury, and the moon's last quarter on February 1. January is apt to go out warm in most parts, with very active storms beginning to show themselves to the West. There are reasons to apprehend the hardest storms of the winter during the month of February."

Churches and Preachers.

In Covington, Mother of God Church pew sale amounted to \$5,500, \$350 more than last year.

In Newport, the annual sale of pews at Corpus Christi Church realized over \$3,000; St. Stephen's Catholic Church pews, \$3,507.

Many Methodists throughout the entire world will celebrate the one hundredth anniversary of the death of John Wesley, who died about 10 o'clock on the morning of March 2, 1791. In Chicago, the Methodist have secured the Auditorium for the occasion, and have placed the arrangements in charge of the Chicago Social Union, which will spare no pains to make the exercises worthy of the great man whose memory is so tenderly revered.

Maysville's Improvements.

Maysville is keeping right along with the procession in the way of improvements.

During the year 1890, about sixty residences and business houses were erected or remodeled and reconstructed in this city and suburbs, at a cost of about \$200,000. In addition to this the electric light plant was established and the street railway converted into an electric road. The cars, it is true, are not here yet, but the road is about ready for them.

The handsomest and most expensive improvements in the way of residences are the brick dwellings, six in number, erected by Mr. Wm. H. Cox at corner of Fourth and Market. The space they now occupy was a vacant lot a year ago. These improvements were made at a cost of from \$30,000 to \$40,000, and they show that Mr. Cox has implicit faith that the future of Maysville will be one of progress and advancement. He is to be commended highly for investing his money at home and using it to build up and improve Maysville, instead of scattering it about over the country among the many "boom" towns. And the many others who invested their money at home are to be equally commended.

The most substantial improvements in the way of business houses are the elegant four-story Dodson building at corner of Second and Market and the beautiful block put up by Messrs. Robinson, Taylor and Curley, on Second opposite State National Bank.

May the good work continue.

The passenger earnings of Indiana roads for 1890 were \$34,320,482; freight earnings, \$83,724,857; total, \$118,045,339. The operating expenses of the year were \$82,955,366; total passengers carried, 32,877,025; tons of freight, 72,551,551; number of employees, 71,434; average wages paid, from \$8.07 per day for general officers to \$1.11 for section men.

MR. R. A. CARR says the Enquirer was wrong in stating the firm of Carr & Tolle had brought suit in 'Squire Gass' court, at Cincinnati, against the Cincinnati, Portsmouth and Big Sandy Packet Company for damages to a shipment of flour. It was the consignee who brought the suit.

A. M. COOPER, of the Orangeburg precinct, got too much liquor aboard while in town yesterday. He started home in a no-top buggy in the afternoon, but was going at too fast a gallop when he turned the corner of Sutton and Second, and was thrown out, receiving painful bruises about the face and body. Dr. Phillips dressed his injuries.

President Cox read a telegram from Mr. Hugh Shannon, now of Chicago, tendering his resignation as a member of Council from Fourth ward. The resignation was accepted and the office declared vacant.

An amendment to the police ordinance was read, received and the rules were then suspended and it was adopted. It gives the Mayor instead of the Police Committee "supreme control over the Deputy Marshals," except that he shall not make removals or fill vacancies, but may suspend any one of the officers until the next meeting of the Council thereafter. All removals and filling of vacancies shall be done by Council.

Mr. Wadsworth offered the following resolution, which was adopted by a rising vote:

Resolved, That this Council in receiving the resignation of Mr. Hugh Shannon, member of this body from the Fourth ward, tender to him our sincere thanks for the faithful and

courteous manner in which he has discharged the duties imposed upon him as Councilman, and express our regret that circumstances have compelled him to sever his connection with us.

Resolved, That this resolution be spread upon the minutes of this meeting.

This completed the business of the old Board of Councilmen. President Cox thanked the members for their courtesies and favors, expressed his appreciation of the honor he had enjoyed and vacated the chair.

City Clerk O'Hare took the Chair and proceeded to organize the new Board. He read the returns from the election, and the members-elect—Messrs. W. H. Wadsworth, Jr., M. E. Kehoe, H. R. Bierbower, Robert Ficklin and Harry T. Hanuman—were called forward and sworn in by Mayor Pearce.

Mr. Fitzgerald said he was opposed to third terms as a rule, but he would make an exception and nominate Mr. Cox for President. He moved that Mr. Cox be elected by the deposit of one ballot. The motion prevailed unanimously, and Mr. Cox was escorted to the chair he had vacated a minute or so before. He said:

For the third time you have elected me your Chairman, a position of honor, and at the same time of great responsibility. The position is one of annoyance and trouble. Every act of the Chair is severely criticized, and every act of yours is placed to the credit of the one occupying the same, whether it be good or bad. I have at all times endeavored to dispense justice evenly, without favor or partiality, and have no doubt made mistakes. If any I assure you they were unintentional. If I would study my own conduct and interest, the honor thus conferred would be repaid. But feeling that it should be the pleasure and ambition of every good citizen to do something for the good of our little city, I humbly bow to your will, feeling that the time and attention given to city affairs is the city's gain and not my own. I therefore accept the honorable position, and beg your assistance in making my term of office on our meetings both pleasant and beneficial.

Council then proceeded to elect Deputy Marshals, or night officers. Mr. Fitzgerald offered a resolution that the members of council from each ward select the Deputy Marshal for their ward, and that said selection be ratified by council. Mr. Cox ruled the resolution was out of order, as it was contrary to the police ordinance. Mr. Fitzgerald then moved that the action of the "caucuses" the night before be ratified, but this, also, was ruled out of order by Mr. Cox, who added that he had no doubt that the caucus' action would be ratified in due time.

Mr. Rudy, by request, nominated John Mangan for Deputy Marshal from First ward. He was elected, receiving all the votes.

Mr. Pecor nominated Chester Bland for Deputy from Second ward, and Mr. Bland got all the votes and was declared elected.

George Karr was nominated for Deputy from Third ward, by Mr. Fitzgerald, and James Downey by Mr. Blatterman. The ballot resulted: Downey 11, Karr 3.

Mr. Ficklin nominated Joseph Crawford for Deputy from Fourth ward. Joe got all the votes.

Mr. Fleming nominated Wm. A. Stockdale, and Mr. Hanuman nominated W. B. Dawson for Deputy from Fifth ward. The ballot resulted: Stockdale 8, Dawson 6. Mr. Stockdale was declared elected, and the announcement was greeted by a screeching yell from some individual in the far corner of the room.

For City Physician, Mr. Ficklin nominated Dr. Owens, and Mr. Hanuman Dr. Adamson. Ballot: Owens 12, Adamson 2. Dr. Owens was declared elected.

Mrs. Sarah Sapp, Mrs. Eliza Pollitt and Mrs. James Crain were nominated for Matron of the alms house. First ballot: Mrs. Sapp 8, Mrs. Pollitt 3, Mrs. Crain 3. Mrs. Sapp was declared elected.

Martin A. O'Hare qualified as City Clerk, with Mrs. Mary O'Hare and E. W. Mitchell as surety.

C. M. Phister qualified as Wharfmaster, with N. Cooper and Omar Dodson as sureties.

R. A. Cochran, Jr., qualified as Collector and Treasurer with R. A. Cochran, James Barbour and A. M. J. Cochran as sureties.

James Heflin qualified as Marshal, with George W. Childs, T. A. Keith, W. F. Power, Thos. A. Respass and J. A. Newell as sureties.

Deputy Marshal Mangan's bond, with John Ryan, Sam. T. Hickman, J. G. Zweigart and A. J. Brittain as sureties, was presented and accepted.

Deputy Marshal Bland presented his bond, with John M. Rains, Mose Daulton, W. H. Yancey and J. L. Browning as sureties. It was accepted.

Deputy Marshal Downey's bond was also accepted. His sureties are Horatio Ficklin and Doctor Strode.

Deputy Marshal Crawford's bondsmen are Horatio Ficklin, C. P. Beckett, Martin Bros. and George N. Crawford. His bond was accepted.

Deputy Marshal Stockdale's bond was accepted. His sureties are W. B. Matthews and Thomas Moran.

A special election was ordered to be held January 19th, in the Fourth ward, to fill the vacancy caused by the resignation of Mr. Shannon. C. T. Brown, Wm. Lilly and John L. Grant were appointed Inspectors.

The Mayor's election was ordered certified to the Governor.

The Mayor was authorized to swear in Wm. Driscoll as special night police, without compensation from the city.

Messrs. Goggin, Grant, Taylor and Wells were granted auctioneer's license.

The sum of \$50 was donated Wm. Driscoll for faithful services as special night policeman.

The sum of \$25 was donated Mrs. Mitchell for faithful services as Matron of the alms house.

The Mayor administered the oath of office to the Marshal and Deputies.

President Cox read the list of standing committees for the year. It is as follows, the member to be elected in the Fourth ward to take the place left vacant: Ways and Means—J. I. Salisbury, Robert Ficklin, L. C. Blatterman, C. B. Pearce, Jr., M. C. Russell, Wm. S. Frank, J. F. Barbour, Wm. H. Cox, ex officio.

THE Frank Owens Hardware Company state that in order to close out as many goods as possible by January 1st they have reduced the price in all their line stock of goods, such as brass fire sets, coal vases, fine carvers and forks, child's knives, forks and spoons, fine table cutlery, &c., &c.

Half a century and more ago a brand new dealer swung his modest sign to catch the trade winds.

The sign was small and contained but two words, MINER'S SHOES, but those who stopped to examine the limited stock found them good shoes for wear, and told their neighbors.

Dealers did not advertise in the papers much in those early days; they depended on their customers doing the advertising.

Gradually the stock grew larger and the customers more frequent and regular, and the little acorn of enterprise had begun to shape itself into the full-grown oak.

As the years went, faster went the shoes, and carried the well-earned fame of the pioneer store for miles around.

To-day, when people find they need shoes they always think of Miner's shoes—a household phrase.

It is not likely that such a reputation for selling good shoes could have been obtained without giving full value in wear.

SENATE AND HOUSE.

Proceedings of Both Branches of the National Legislature.

WASHINGTON, Jan. 9.—In the senate yesterday notice was given by Messrs. Platt and Allison of their intention to call up at an early day respectively, the copyright and land bills.

House bills were passed for public buildings at Akron, O., \$75,000; Charleston, S. C., an increase of \$50,000; Savannah, Ga., \$100,000, additional appropriation; and Davenport, Iowa, \$100,000.

Senate bill to provide a patrol steamer on St. Mary's river, Mich., was passed. An agreement was reached by which general debate on the financial bill is to close Tuesday and a vote taken Wednesday.

Mr. Turpie and Mr. Call addressed the senate on the financial bill.

The house passed the bill authorizing the issuance of certificates of service to telegraph operators who were with the Union army during the rebellion.

The house refused to pass a resolution limiting debate on the shipping bill and discussion of it continued until adjournment, Mr. Grosvenor speaking in favor of it.

FRIGHTFUL FALL.

Four Men Hurtled Forty Feet, Allighting on a Pile of Stones.

PITTSBURGH, Jan. 9.—A special to The Times from Lancaster, Pa., says: The falling of a scuttling at the new edifice of St. John's Lutheran church in this city yesterday afternoon was the cause of a frightful accident, which resulted in the death of one man and the serious if not fatal injury of three others.

Five men were working on the scuttling which surrounds the tower, at a height of some fifty feet from the ground, when the dumping of a stone weighing several hundred pounds caused the stays to give way and four of the men were precipitated headlong to the ground. They fell on a pile of stones beneath the scuttling and the stones which fell with them fell upon the men.

Christina Walker, of Columbia, boss macon, sustained a compound fracture of the skull and other injuries and died last night. Henry Redman had both legs broken and was internally injured, and James Swisher and Isaac McIntee were injured about the head, body and internally. Frank Shortlidge caught fast to the wall in the descent and escaped injuries.

TEXAS CYCLONE.

Several Houses Blown Down and a Number of People Killed.

SHERMAN, Tex., Jan. 9.—At 3 o'clock Wednesday afternoon a cyclone passed about three miles east of this town, carrying death and destruction in its path. It was 100 yards in breadth, and demolished everything it struck. Several houses were blown down and an infant and four adults severely, if not mortally, wounded.

John Schmidt was blown over a barb wire fence. He seized the wire as he passed and his hand was almost torn off. Household goods are scattered about for miles, and the loss is great. Further search may reveal many more dead bodies, but might coming on put an end to the quest of the rescuers. Yoakum and other points report a hurricane and a high wind raged all night with heavy rain.

A Yoakum dispatch says: "About 4 o'clock yesterday afternoon a cyclone passed about two and one-half miles west of Yoakum, destroying three houses, uprooting trees and carrying away haystacks."

MISUNDERSTOOD ORDERS.

Two Stock Trains Come Together in the Western Part of Chicago.

CHICAGO, Jan. 9.—A Chicago, Burlington and Quincy stock train crashed into an Illinois Central stock train on the Burlington track in the western part of the city at 5:30 o'clock yesterday morning smashing the caboose and one stock car into kindling wood. Two stock men, who were asleep in the caboose, were instantly killed. None of the Illinois Central train men know the stock men.

An examination of the clothing of the dead men revealed several bills of lading in the pockets of each. Those on one of the bodies were made out to R. W. French, of Warren, Ill., and those on the other to J. B. Stout, of Peoria. The collision was due to a misunderstanding of the order given to the Chicago, Burlington and Quincy engineer.

A Negro's Crime.

PUEBLO, Cal., Jan. 9.—A negro named Billy Davis yesterday morning shot and killed his foster mother, Carrie Ormsby, and his foster brother, Jim Arnold. The murdered woman had given some property to a daughter and this is supposed to have made Davis jealous. He was arrested and lodged in jail. He made no attempt to escape. When asked what his motive was he said that they were old enough to die and it was time they were out of the way.

Killed Each Other.

CARBONDALE, Cal., Jan. 9.—A few days since, John Morris and Frank Chatham, had an animated dispute about some land during which Chatham was wounded somewhat with a pitfork. Yesterday afternoon the two men met, and Morris drew a pistol and beat Chatham over the head with it. Morris then fired, shooting Chatham in the abdomen. Chatham retaliated with three shots. It is not thought either of the men can survive.

Kentucky Elections.

FRANKFORT, Ky., Jan. 9.—Wednesday afternoon the constitutional convention made one very important change in the matter of election. By a vote 50 to 30 they decided to hold all elections on the first Tuesday after the first Monday in November, instead of the first Monday in August, as is now the case. Mr. Mackey, of Covington; Mr. Lassing, of Boone, and others made a strenuous fight for August, but it proved a failure.

Gambled and Suicided.

LAKE CHARLES, La., Jan. 9.—Joseph S. Reed, a prominent citizen, brother of the sheriff of this parish and of the mayor of Lake Charles, suicided Wednesday. Heavy losses at the gambling table prompted the deed.

A SEVERE ATTACK OF CROUP.

The Child's Life Saved by Chamberlain's Cough Remedy.

I wish to say to the public that Chamberlain's Cough Remedy is the best I have ever used or sold for croup. I am never without it at my home for my children. Last winter a child of Mr. E. J. Wetzel, one of my customers, was crouping with a sudden and severe attack of croup. I gave him a bottle of this Cough Remedy, and he started for home, gave the child two doses of it, which stopped the coughing and smothering instantly and in a few minutes the little one was out of all danger. Mr. Wetzel came back to the store as happy as he could be and said: "That bottle of Cough Remedy saved the life of my child." Furthermore I feel friendly towards you as the manufacturers of such a valuable remedy and am proud of its being manufactured in our own State. I can cheerfully and willingly give many instances of its good works to anyone that may want a reliable cough remedy.

MYSTERIOUS MURDERS.

Four in Granville County, N. C., in Four Days.

CHARLOTTE, N. C., Jan. 9.—Four mysterious murders have occurred in Granville county in four days. Dick Page, a colored laborer, was the first victim. His body was found on Saturday night in an old field on Col. Rogers' plantation, with the breech pin of a gun buried in his skull. On the same night W. T. Parker and Brock Bailey were seen drinking together, and shortly afterwards the dead bodies of both were found lying near where Page's body was found. On Monday the coroner was called to the same plantation to view the body of a colored woman who, it was said, was beaten to death by some unknown person. It is thought the murders were all committed by the same person and there is much excitement in the neighborhood.
